Latrobe Arts Education Membership 2011

Education Membership Overview

Latrobe Regional Gallery and Latrobe Performing Arts are highly successful providers of valid and meaningful arts activities for all ages. The Latrobe Arts team aim to provide quality education within the visual and performing arts through a range of innovative educational programs to meet the personal, professional and academic needs of people across a variety of learning levels.

The education and public programs developed by Latrobe Regional Gallery and Latrobe Performing Arts have been created to assist students, teachers and the general public in their enjoyment and understanding of art. These programs have been designed to be used in conjunction with exhibitions and performances which lend themselves to the exploration of many curriculum-relevant themes for pre-primary, primary, secondary, VCE, University and beyond.

To become part of the Latrobe Arts' education network, and to enjoy the benefits of a School Membership simply complete the attached Application form and return with payment to Latrobe Regional Gallery.
